

Mr. Nettles,

I am sorry I messed up on  
my day in Court - did you see the "L"  
on my forehead?!

Thank you very much for  
taking care of me !! I really appreciated that.

I am so very grateful for  
the opportunity to have a fresh start.

Sincerely,  
Susan Sullivan

Hi!

Though this is  
later than I planned,  
the feeling is just the  
same... grateful for

your time, ability and  
sensitivity. Things we

been too busy to do  
to top it off, mother has  
a new great granddaughter named  
Suzannah Grace (green eyes and  
auburn hair; can you believe  
the name!) I am sure she

Thanks a heap!

will write "romance  
novels" or trade  
stocks on wall  
that's again, you did  
a great job.

Warmly,  
May

Charlie -

Thanks so much  
for the reassuring words  
to mother. She, really  
helped. She seems more  
at ease with the procedure  
now.

What a "bedside"  
manner!

Good luck to us all.

YOU PUT IT THERE

THANKS!

Best wishes,  
Mary

"God bless you,"

is the one that says it best!

Thanks so much for taking care  
of everything so quickly! It really  
means a lot to me. It's been  
really hard to try & make so  
many decisions & it is so wonderful  
to have a little help! God  
Bless you & your family!
